Hello world I'm Student In,
University Of Rwanda
College Of Science and Technology
School of ICT
Department of IT

I created this website to showup my skill i gathered from my bachelor degree
during this third year of my studies.

In this third year of my studies i covered different course including web design,programing
languages such as: C++, HTML, C.
And also i have skills in editing Audio and video.

you can use this information in case you want to hire me as your worker or when you have
any project so that i can give you a help.
